

Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Sunday 08 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Heavy showers. Rain in the Northern Isles.

Today:

A dry start for many with some sunny spells, a few showers in the south. A spell of heavy rain across Orkney in the morning. Heavy slow moving showers in the afternoon with some hail and thunder. Light winds.

Tonight:

Heavy showers die out in the evening, but showery rain continues overnight across the far south, the far north and Northern Isles. Dry with clear spells overnight across central parts.

Monday:

Cloudy with outbreaks of rain across the Hebrides. Scattered heavy and slow moving showers breaking out once again across inland parts by the afternoon.

Outlook for Tuesday to Thursday:

Showers again in the east on Tuesday, drier brighter in the west. A band of rain sweeps east later in Wednesday, clearing early Thursday. Mainly dry rest of Thursday.
